Meet the girls

We asked our calendar girls a few up close and personal questions and here's what they said.

Q. What sort of man gets you going?

Q. If you had the chance to go pig hunting with Brad Pitt or Russell Crowe, who would you go with and why?

Q. Any tats or piercings we should know about?

Melanie

The owner-operator of her own party plan business in Victoria's Geelong region, 30-year-old Melanie is married with two champion kids. Despite standing a petite 160cm (5' 3") tall, she's a mad keen netballer and occasional pig hunter, where her and her man mostly use dogs. Mel sometimes soothes the irritation caused by late payers and men's beards by way of a seafood dinner and vodka and orange.

Likes in a man: "He's got to be fun."

Brad Pitt or Russell Crowe: "Brad Pitt, of course – he's gorgeous."

Daisy tattoo on lower back.

Kim

You might recognise 23-year-old outdoors journalist Kim Bain from the *Escape with ET* fishing show, where she's one of the presenters. Although more into fishing than hunting, Brisbane based Kim has been hunting since the age of seven (air rifle) and while she's done a stack of hunting over the years, still prefers to shoot her pigs. Never one to seek the company of negative people ("whingers and whiners"), Kim is partial to the odd coldie and tray of oysters.

Likes in a man: Must have a sense of humour, be outdoors-minded and genuine.

Brad Pitt or Russell Crowe: Crowe – "He's more rugged and rustic."

Katie

Long blonde Katie lives in the Newcastle area and has four years worth of shooting and dogging trips under her belt. Mum to a gorgeous two-year-old girl, Katie is a keen netballer and surfer and adores anything to do with the beach, but can't handle cruelty to animals and arrogant people. Although the 19-year-old makes an exception for arrogant hunters who like nailing feral pigs. A lover of anything seafood, she's been known to get acquainted with the odd Vodka Cruiser or three.

Likes in a man: Outgoing, adventurous and romantic
Brad Pitt or Russell Crowe: Crowe – "He seems down to earth and a nice guy."

Shondelle

Currently working in the hospitality industry as a front of house waitress, 23-year-old Shondelle from the New South Wales Southern Highlands is the real deal when it comes to serving it up to the local pig population. She gets off on watching the dogs in action and then doing the blade work herself. Right into fitness, the beach and summer, about the only thing that gets Shondelle out in the winter cold is a pig hunt, which helps her keep trim and burn off fav foods such as rump steak and pasta.

Likes in a man: Character, good physique "A guy built like a rugby league second rower". Pencil necks need not apply.

Brad Pitt or Russell Crowe: "Brad Pitt, Russell Crowe's too old."

Tats or piercings: Chinese symbol on right foot; 10 piercings — six in her ears, two in the belly button, one in the tongue and one in the nether regions (see map of Tasmania for directions)!

Lisa

We don't know an awful lot about Lisa, except that she's 19 years old and a barmaid somewhere in the Northern Territory. Apparently Lisa had never been out hunting before, so the dogging experience and these photos that followed were a totally new experience. We reckon she's built to survive no matter where she goes.

Nuriye

Our relief teaching assistant gets her unusual name from her Turkish heritage. Another Darwin resident, Nuriye occasionally gets out with her partner on hunting trips. This 22-year-old animal lover likes sport, being adventurous and camping, but hates jealous, selfish and lazy-arsed people.

Likes in a man: "That rough, bad boy look."

Brad Pitt or Russell Crowe: "Brad Pitt — he'd be much better to perve on."

Claire

At 24, married and no kids (but four dogs), Darwin-based Claire has been hunting for a couple of years now. A lover of the bush, travelling and catching live bands, Claire also likes her men outgoing and rugged — none of this metrosexual crap: "A man's man with a good body." Dedicated to her hounds, Claire recently forked out a cool \$5000 to have one of her dog's legs saved from being amputated! She just loves chowing down to a feed of lobster, perhaps washed down with a Strongbow Sweet Dry (not that she and hubby will be able to afford eating out for a while yet).

Brad Pitt or Russell Crowe: "Brad Pitt — 'coz he's hot!"

Tats or piercings: Ladybug tattoo on left hip.
