## Style Guidelines

The following Categories and Styles have been agreed upon for the 2008 competition. Entrants can qualify for the Australian Amateur Brewing Championship by placing 1st, 2nd or 3rd (and scoring at least 60%) in this competition. Brewers are then entitled to enter a beer in that Category in the AABC. Beers will be judged against the style guidelines in this document. For this reason, brewers must specify one of the listed Styles for each entry. The organizers reserve the right to reclassify non-conforming entries to a listed style. Full guidelines for these styles are available at [www.aabc.org.au](http://www.aabc.org.au)  
**Note:** Judging will be carried out at appropriate serving temperatures for the beers, typically 8–12°C for ales and 5–7°C for lagers.
