\$45,000 • AVAILABLE FOR SALE OR TRADE • This cub is immaculate! Total time is under 1800 and the engine has less than 150hrs (still flying so times will change). The plane was restored about 10 yrs ago. We are looking to upgrade to a 4 seater that goes a little faster. I've personally flown this cub half way across the country and would be willing to deliver for fuel \$\$\$. It has the new style struts and upgraded cleveland brakes. Starts on the first pull. Spared no expense on maintenance, see latest log book entries. Call or email for additional pictures or more information. Will offer a free tailwheel endorsement if needed. • Contact Adam Valencic, Owner - located Orlando, FL USA • Telephone: 407-557-7909 • Posted July 10, 2011
