> **POWER STATEMENT:**
> ## A 3-dimensional approach: defends, delays, delivers for younger-looking skin

Skin aging is the result of two main influences: 1) internal: the natural aging process; and 2) external: environmental and lifestyle factors. These external influences can lead to the look of premature skin aging. TimeWise® Miracle Set 3D™ helps interrupt triggers that can cause your skin to look older before its time. Powered by our exclusive, patent-pending Age Minimize 3D™ Complex, the set helps defend, delay and deliver for younger-looking skin.

DEFENDS

- Provides multiple antioxidant benefits to defend against free radicals on skin, which can be triggered by more than UV rays and can contribute to the look of fine lines, uneven tone and loss of skin radiance.
- More than doubles the antioxidant protection[3] for our most powerful free-radical skin regimen defense yet.
- Moisturizes for 24 hours when used twice a day to help defend skin's balance.

DELAYS

- Helps keep your skin looking younger longer with daily SPF 30.
- Age Minimize 3D™ Complex also can help you defy the look of aging skin by helping promote more even skin tone,* supporting skin's natural collagen* and helping contribute to younger-looking skin.*
