

ZANY'S FRIDAY NIGHT SPECIAL / HOG WASH HAIR & BODY SHAMPOO

Make the base on Friday night (30 minutes). Dilute Saturday morning (3-4 hours) on LOW heat, range top. Options: Cure base 2 weeks (CP) or cook (HP) by whatever method you prefer. Makes 1 gallon Liquid Soap.

FRIDAY NIGHT - MAKE PASTE

- 16 oz. lard (50%)
- 16 oz. PKO (50%)
- 2 capsules vitamin E 1,000 IU (optional)
- 1 tsp. ROE (33.3% in jojoba) (optional)

Nuke oils 4:30 minutes @ HIGH. Add antioxidants Vitamin E and ROE. Stir. Set on warmer plate.

- 21 oz. distilled water (3 X KOH)
- 7 oz. KOH (0% SF)

Pour water into 4-cup container. Place in sink. Add KOH. Stir to dissolve. Check temp.

Combine when oils are **160°F (71°C)** and lye solution **140°F (60°C)**. Stir by hand, then SB (on & off) to **hard** trace 10-15 minutes over low heat **160°F (71°C)**. Let set 5 minutes off heat to make sure it doesn't separate. Pour batch into large SS pot. Put lid on. Put in preheated oven at lowest setting for 1 hour. Turn off. Let set overnight.

SATURDAY MORNING - DILUTION

- 96 oz. water (3 X 32 oz. oils, NOT paste.)
- 2 tsp. Borax or Calgon Water Softener (optional)

Bring water to boil. Add water softener if using. Stir to dissolve. Add chunked up paste. Turn heat to MEDIUM-LOW. Cover and cook slowly (no bubbles) 3-4 hours until temp reaches **160°F (71°C)** and soap is completely melted. Cool to **120°F (49°C)**. Pour into 1 gallon bottle. Add water if needed to reach 128 oz. (1 gallon) **Sequester 2 weeks**.

FOR FOAMER: Weigh 2 oz. LS + 6 oz. water into 2-cup Pyrex. Nuke 45 seconds on HIGH. While warm, add 2.5 ml fragrance and a drop of food coloring to color. Pour into 8 oz foamer

COMMENTS: This opaque pearlescent soap is great! Squirt on dry hands. Rub around fingers, palms and back of hands until it turns white, then clear (20 seconds). Then add water, lather up, and rinse. Rinses clean with no residue. Hands feel nice; not dry.
